Vintage Style WITH A Modern Twist

Combine the elegance of traditional design with a fresh Hamptons look. The Rotondo Hampton vanity has been designed to enhance your lifestyle, offering timeless design and functional modern features.

The Rotondo basin-top incorporates classic vintage design with its oval shape and softly bevelled bowl rim. It feels right at home resting on our Hampton cabinet with vintage style routed drawer fronts and shaker-style sides. Large wide drawers also offer plenty of storage space for the modern family.

Elegant Daily Living

Take pleasure in the little things during your daily rituals. No detail has been spared in the design of the Eleanor and Lillian tapware styles. Select from high quality white ceramic, or same-finish brass handles with Eleanor. If you prefer to go more traditional, opt for classic three-piece tapware with Lillian's classic cross handles or lever-style handles.

The beauty of their colour and form will set the tone for an elegant way of living.
